ILLEGAL BANK NOTES.

Government's Warning.

A "Government Gazette Extraordinary" issued on Saturday by the Hon. Colonial Treasurer is devoted to a notice and caution regarding illegal banknotes. The notice states:-

The attention of the public is drawn to the provisions of the Bank Notes Ordinance 1895, by which it is prescribed that it is illegal for any person, partnership or company carrying on the business of banking in this Colony to make, issue or circulate, within this Colony, bank notes payable to bearer on demand, except with the sanction of a Secretary of State signed by the Governor.

The attention of the public is further drawn to the fact that the issue of the notes of the Hongkong and Shanghai Banking Corporation, of the Chartered Bank of India, Australia and China and of the Mercantile Bank of India, Limited, is duly sanctioned in accordance with the law.

Members of the public in this Colony are cautioned that they should be extremely cautious in accepting, in payment or exchange, notes the issue or circulation of which in this Colony are not sanctioned according to law as it is possible that in some cases it may happen that holders of such notes, the issue and circulation of which have not been so sanctioned, may be unable to redeem or exchange them for the regular currency which obtains in this Colony except at a heavy loss.

ELLAMS B. 19 ROTARY DUPLICATOR.

Has achieved a success unequalled by any other Rotary Duplicator. This is due to
simplicity of working and the excellence of fitting of the parts. It has caused a complete
revolution in Duplicating, and the production of perfect copies by the Rotary Machine
is now a certainty.

From a well written original a copy can be made thousands of copies on any paper,
and each copy will be perfect.

There is absolutely nothing to go out of order, and the apparatus is always ready
for use.

There is a mechanical device which allows the copy to be made in any position on
the paper.

The pressure-roller is regulated by a simple lever, and the arrangement is so made
that it is impossible for the operator to have difficulty with his work.

The printing cylinder is geared so that one turn of the handle makes a copy.

A most important advantage ELLAMS 'B 19' possesses is that the ink never
dries and runs all over the Duplicator as on other Machines.

The ink never dries on the roller or pads, and copies can be made on any kind of
paper. Moreover, this ink does not stain the hands in any way.

There is no complicated or complicated fastening of the sheet to the Duplicator.

The ELLAMS 'B 19' Duplicator is so absolutely simple that it requires no
experience, whatever, to produce perfect copies from it—there is no calculating or
measuring of parts.

The Machine is fitted with an automatic copy-counter recording instantly the total
number of copies taken.

We stock three different kinds of this Duplicator:

1—For duplicating typewritten documents Price \$15.

2—For duplicating both type and handwritten documents \$17.

3—For duplicating both type and handwritten documents with
self-feeding attachment \$19.

Complete with all supplies ready for immediate use.

Considering the excellent workmanship of the apparatus, the prices are very

reasonable and compare most favourably with any Duplicator on the market.

We guarantee that the Machines will give complete satisfaction.

NEWS FROM HOME.

(From Our Own Correspondent).

LONDON, September 17.

THE CHINESE LOAN.

The London correspondent of the Man-
chester Dispatch is responsible for the
following:—"The new Chinese loan negotia-
tions may lead to serious diplomatic
difficulties. I am informed on official
authority that the Chinese Government
has arranged with London financiers for a
loan of £10,000,000 at five per cent, for
forty years, to be secured on unpledged
revenue—principally the salt tax. The one
point now to be considered is whether the
group will carry out the arrangement in
the teeth of the refusal of the Foreign
Office to endorse it.

The Foreign Office, in conjunction
with the other governments, backed the
six Power loan on the ground that its
conditions represented the minimum of
financial safety, and the group accordingly
made advances to China of several millions
of pounds on the understanding that they
would subsequently be allowed to float a
loan for sixty million. These advances
have not been repaid, and even if they
were it seems that the six groups
would still hold the field, since their
conditions were the minimum their govern-
ments would accept.

It is therefore expected that the new
financiers will be faced with the alternative
of abandoning the loan altogether or of
making it on the understanding that if
there ever are any difficulties as regards
repayment of capital or the payment of
interest they will not be supported by the
British government. The test of diplo-
matic strength between China and the
Powers has therefore come earlier than
was expected by most people."

STORM CLOUDS IN BELFAST.

The centre of political unrest in Belfast
just now, and the news from there since
the riot at the football match last Satur-
day is watched with the keenest interest
for the Orange campaign has just started
and a very little spark may set a big blaze
of passion going.

Trade union officials in London are in
constant telegraphic communication with
local leaders, for if the present intolerance
on religious matters develops any further
it will be impossible for any Catholic to
show up at the works, and the shipyards
will have to be closed.

Most of the unions have already been
compelled to pay large sums in out-of-
work benefit to members thrown idle by
recent events and the prospect of the
growing down of these shipyard, and the
consequent placing of nearly 10,000 men
on the unemployed books of the unions, is
disturbing. If the yard closes down and
out of work pay falls due, the unions will
be faced with the necessity of discriminating
against members whose unruly be-
haviour causes trouble, and in the present
state of party feeling in Belfast such a
course must result in much strife. Some

of the unions have under consideration the
advisability of making an appeal to the
members to form themselves into bodies of
special constables, who will co-operate with
the police authorities in maintaining order
within the shipyard.

MIDDLETON.

There is no doubt about it—the result of
Middleton, though not really convincing
as a proof of a turn over of opinion—has
disappointed the Liberals and enormously
encouraged the Conservatives. Such a
constituency as that, with all the glamour
of Gladstone's great campaign still upon it,
has a moral effect in its voting that no
arguments as to the split vote can dis-
pel.

But there are signs of trade unionists
becoming restive over these contests that
lose seats to the Conservatives, even if
they do demonstrate the independence of
the Labour party. Some of the branches
of the Amalgamated Society of Railway
Servants have passed resolutions condemn-
ing the action of the party and threatening
to withhold levies if "this wasteful policy"
is continued. The reason I am told is only
partly the fact that split voting means the
almost certain return of the opposition
candidate: a stronger reason still is that
the parliamentary levy for the return of
Labour members who now receive £40 a
year from the State is becoming increasing-
ly unpopular on its own account.

JAPANESE IN THE LATIN QUARTER.

A friend who lives in the students
quarter of Paris tells me the most remark-
able thing there nowadays is the increase
of the Japanese residents. Scores of
students have joined the Sorbonne and the
French students are amazed at the quite
deliberate way they set themselves to study
not merely the subjects of the classes but
every little detail of the life and doings of
the Latin Quarter. Chinese students Paris
has had occasionally over long years, but it
is only of late that the Japanese invasion
has come. They are famous already as the
most expert imitators in Paris. In a few
games they master billiards and the special
game of the quarter-maniille and foaré.
They are, all round, quite a puzzle of
admirable to the easy going student in the
Boul' Mich.

Referring to the production of
"Drake" at His Majesty's Theatre, the
"Globe" thinks "It speaks volumes for
Sir Herbert Tree's adherence to history
that he does not substitute golf for bowls
in his Plymouth Hoe scene."

Prince Camillo Ruspoli, of Rome, has
purchased Napoleon's villa and estate of
San Martino in the Island of Elba for
£12,000, or £2,400 in excess of the "up-
set price." Some comment has been
aroused in Paris by the fact that no effort
was made to secure it for the French
nation.

Shortly before her departure from
Ceylon Lady Clifford added to her col-
lection of jewellery an aquamarine said
to be one of the finest ever seen in Cey-
lon. Of a beautiful sea-green tint, and
weighing over 200 carats, the stone was
set in platinum, and was greatly admired.
The gem will doubtless attract much at-
tention at the next Court which Lady
Clifford attends.

THE TEN MILLION LOAN.
Mr. C. Birch Crisp.

Mr. C. Birch Crisp, who has negotiated the £20,000,000 London loan with the Chinese Government is the founder and head of the well-known stock exchange firm of C. B. Crisp and Co., of 11, Throgmorton Avenue, London. He is a comparatively young man who has made his own way in the world.

At first his principal interests financially were in South America, and for the Brazilian Government and various municipalities in that country he placed on the London market a number of important issues, says the "Japan Advertiser." After the Russo-Japanese War he turned his attention to Russia. A visit to that country assured him of its enormous potential riches and from that time he has, metaphorically speaking, taken the financial interests of Russia, so far as railways and municipalities are concerned, under his charge. He quickly established close relations with the Treasury authorities at St. Petersburg and especially with M. Kokovtsov, at that time Minister of Finance under the late M. Stolypin.

He founded the Anglo-Russian Trust Company for the flotation of Russian bonds and followed this up by the foundation of the Anglo-Russian Bank. He acquired for his syndicate, which is composed of Lloyd's Bank, London and South Western Bank, Capital and Counties Bank and Messrs. Rocauch, half of the shares of the Russian Commercial and Industrial Bank, of which he is a director. By this move the interests represented by the Crisp group obtained ninety-nine financial outposts scattered all over the Russian Empire.

Amongst the business more recently negotiated by the group may be mentioned the flotation of the City of Baku Gold bonds for £2,000,000; the Black Sea-Kouban Railway bonds of £2,000,000; the Trans-Caspian-Namagan Railway bonds of £2,000,000; the City of Gorkhburg bonds for £2,000,000, besides underwriting the London portion of a number of municipal loans in Russia and Finland.

Mr. Crisp, the moving figure in this great business, in appearance bears no likeness to the popular idea of great financiers. He generally dresses in tweeds, has a deep affection for country life, hawks, bustle and cultivate, with the pride of a Cotswold farmer, his herd of Jerseys. From Friday to Monday he retires into the seclusion of his home in Surrey and nothing can induce him at that time to discuss business, even though he may be surrounded by his business associates.

On one occasion his Petersburg agent telegraphed across Europe for a consultation. He found that Mr. Crisp had gone to Surrey and followed him down there. When he arrived he was shown a room and told to enjoy himself, but there was no consultation or any word of the important transaction, which by the way involved £9,000,000, until Monday, when the Chief accompanied him back to London.

Mr. Crisp once explained that his success was due to a great extent to his ability to drop business entirely during the week end.

FIGHTING IN THE BALKANS.

HOSPITALS OVERFLOWING WITH WOUNDED.

LONDON, Oct. 13.

Reuter's correspondent at Podgoritz telegraphs that the battle was resumed in the morning, the fighting being general almost along the whole frontier line.

A message from Martinovich reports that the southern army is operating most successfully against the strong fortress of Taraboch, dominating Soutari from the south. Fort Rogame near Tuzi was captured at noon. The hospitals are overflowing with wounded.

KING NICHOLAS VISITS THE FALLEN.

King Nicholas visited the hospitals and kissed the wounded and the dead on the forehead.

Prince Mirko carried in a wounded man. A later message from Podgoritz states that in the storming of Mount Detich the Montenegrins had 120 killed and 400 wounded.

TURKS REPULSED.

Despatches from the southern army say that the Turks made a counter attack on Saturday, but were repulsed. The Montenegrins captured undamaged a Krupp gun and ammunition from the Turkish position at Rogame.

BRITISH ATTITUDE CRITICISED.

The *Telegraph* and *Mail* are sharply criticising the British action in the crisis, declaring it to be too lukewarm and urging that Britain ought to act more vigorously towards Turkey to secure reforms and to strengthen the Triple Entente.

Reuter's Agency has been authorised to state that these attacks in no wise represent the views entertained in French official quarters, where they are deeply regretted.

PEACE POSSIBILITIES.

There are whispers that even in Belgrade there is a possibility of a peaceful solution, probably due to the delay of the Confederacy in answering the representations of the Powers.

BULGARIA DENIES REPORTS OF FIGHTING.

The reports of fighting on the Bulgarian frontier are denied at Sofia.

TURKISH FLEET MOBILISED.

An order issued on Saturday ordered the mobilisation of the Turkish fleet.

THE LATEST TELEGRAMS.

THE BOURSE AFFECTED

The crisis in the Balkans has produced extreme nervousness in all financial centres, particularly in Paris, Berlin and Vienna, where the public have been speculating heavily in international and local stocks and are consequently selling heavy in London and New York, which centres are beginning to feel the strain all the more as any further development in the political crisis cannot but influence the money markets unfavourably. A conference of leading banks in Berlin will be called to-day to consider the question of intervention to support the Bourse in view of the panicky tendency. It is stated that all are agreed as to the necessity of taking action.

A MALISSORI ATTACK.

Six thousand Malissori are attacking the Turks in the rear.

FURTHER MONTENEGRIN SUCCESS.

LATER.

A telegram from Reuter's correspondent at Podgoritz states that the Montenegrins yesterday penetrated the Turkish ranks and invested Tuzi, which had cut off Soutari.

FOREIGN VOLUNTEERS NOT YET NEEDED.

A telegram from Reuter's correspondent at Belgrade states that the Serbian government has telegraphed Italy and Russia to detain their volunteers, who are at present not needed.

BY TELEGRAPH.

THE GREEK MOBILISATION.

Reuter's correspondent at Athens telegraphs that the Greek mobilisation is practically completed, and it is expected that 170,000 men will take the field.

LONDON, Oct. 14.

A telegram from Podgoritz states that the Northern Army of Montenegro captured Bielopolie, in Old Serbia, yesterday, after fierce fighting, which lasted until four o'clock in the afternoon, when the Montenegrins entered the town.

ENTHUSIASTIC WELCOME.

They were enthusiastically welcomed by the Serb inhabitants as their liberators from the Turkish yoke. A provisional Montenegrin Government has been established.

MR LLOYD GEORGE'S HOPES.

Mr Lloyd George, speaking in London, confidently hoped that the impending conflagration in the Near East would be localised and that whatever might be the issue of the conflict, the boundaries of freedom and good government would be extended.

SOCIALISTS DENOUNCE THE POWER.

Reuter's correspondent at Brussels telegraphs that the International Socialist Bureau protests against armed violence in the Balkans, and vehemently denounces the hypocrisy of the Powers posing as protectors of the Balkans while permitting the Montenegrin raids.

HOME RACING.

THE DUKE OF YORK STAKES.

(Reuter's Service to the China Mail.)

LONDON, Oct. 13.

The Duke of York Stakes, run yesterday at Kempton Park, resulted as follows:—

Adam Bede 1
Monotone 2
Hamerton 3

Twelve ran. Won by half a length, a head between second and third. Betting:—100 to 9 against Adam Bede, 100 to 6 Monotone, and 100 to 7 Hamerton.

TURCO-ITALIAN WAR.

STILL FIGHTING.

(Reuter's Service to the China Mail.)

LONDON, Oct. 12.

Reuter's correspondent at Rome telegraphs that the Italians at Derna achieved a further success by defeating and routing a force composed of Turkish regulars and Arabs with considerable loss. The Italian casualties were 12 killed and 83 wounded.

A HITCH EXPECTED.

The peace pourparlers continue "touchy," but a hitch is expected. The hitch is ascribed to Turkey's insistence upon the immediate restoration of the Aegean Isles and the postponement of the withdrawal of her troops from Tripoli till the Chamber ratifies the peace.

CONTINENTAL UNEASINESS.

There are apprehensions in Vienna lest the rupture causes Italy to extend her operations in Europe, and there is a panic on the bourses, especially in Berlin, largely due to the public scepticism as to the ability of the Powers to localise the war.

The danger point is Sanjak Novibazar. Should the Montenegrins invade that locality, Austria might be compelled to intervene with consequent Austrian and Russian trouble.

The repeated conversations between Signor Pallavicini and Pasha Noradunghian at Constantinople are exciting the attention of the Turks, who believe the conversations refer to Novibazar.

BRITISH REGIMENT READY FOR CRETE.

LATER.

Reuter's correspondent at Malta telegraphs that the 2nd Northamptonshire have been ordered to be in readiness to proceed to Crete.

BY TELEGRAPH.

AUSTRALIAN MINE DISASTER.

NINETY MEN ENTOMBED.

(Reuter's Service to the China Mail.)

LONDON, Oct. 14.

Reuter's Melbourne correspondent telegraphs that a fire has occurred at North Lyell mine at the 700 feet level. Ninety men are entombed. One body recovered was unrecognisable.

BRITISH SUPERDREAD-NOUGHT LAUNCHED.

COMPLIMENT TO THE COLONIES.

(Reuter's Service to the China Mail.)

LONDON, Oct. 13.

At Portsmouth the British super-dreadnought Iron Duke was launched on Saturday, the Duchess of Wellington performing the christening ceremony with Colonial wine.

PRIZE FIGHTS ARRANGED.

JOHNSON TO MEET McVEA AND LANGFORD.

(Reuter's Service to the China Mail.)

LONDON, Oct. 13.

A message from Chicago states that Jack Johnson will sail for Australia on the 25th inst. He has accepted \$50,000 to box McVea and Langford. His fight with Langford takes place on Boxing Day.

FOUR DAYS' FOG.

LONDON'S TRADE DISLOCATED.

(Reuter's Service to the China Mail.)

LONDON, Oct. 13.

London has for four days been enveloped in fog which has dislocated the traffic. Numbers of people were injured in the streets, including the well-known musician, Sir Henry Wood. The naval manœuvres and shipping have been held up.

AUSTRO-HUNGARY'S NAVAL EXPANSION.

(Reuter's Service to the China Mail.)

LONDON, Oct. 12.

The war committee of the Austrian Delegation has adopted the war credits. Admiral Count Montecucoli, Minister for Naval Affairs, announced that the vote and the programme would be submitted in due course for the construction of an additional naval division to replace the Monarch class of battleships.

AUSTRIAN EMPEROR'S HOPES.

The Emperor Franz Joseph is quoted in Vienna as saying that the hope of peace may yet be realised.

BRITISH POLITICS.

HOME RULE STILL BEING DISCUSSED.

(Reuter's Service to the China Mail.)

LONDON, Oct. 11.

Mr Bonar Law, presiding at a banquet at the Constitution Club given in honour of the victorious candidates at the bye-elections, analysed the results of the bye-elections, contending that they proved that the Unionists at a general election would secure a substantial working majority. Hence, it would be an outrage to carry out a revolutionary change like Home Rule.

ULSTER NOT TO STAND ALONE.

Mr F. E. Smith, speaking at Lincoln, said if the Government carried out their proposals to the bitter end, the next general election would find Ulster under arms, and Ulster would not stand alone.

LAND CAMPAIGN POSTPONED.

Mr Lloyd George has postponed his land campaign, which it was intended should be opened at Swindon on the 26th inst. The Chancellor of the Exchequer authorises the statement that the postponement is entirely due to the crisis in the Balkans, and not to pressure from any quarter.

GERMAN AND RUSSIAN BOURSES 'PANICKY.'

(Reuter's Service to the China Mail.)

LONDON, Oct. 14.

Big banks intervened in yesterday's Berlin Bourse to arrest "panicky selling." Similar conditions prevailed at the St. Petersburg Bourse, where the bankers vainly attempted to maintain prices.

GERMAN NEWSPAPERS PESSIMISTIC.

The German newspapers are very pessimistic regarding the localisation of the war.

IMPORTANT CONFERENCES.

THE KING AND THE PREMIER.

(Reuter's Service to the China Mail.)

LONDON, Oct. 13.

Mr Asquith had an hour's audience with the King on Saturday, after which His Majesty received Sir Arthur Nicolson, Permanent Under-Secretary for Foreign Affairs.

A RECORD BILLIARD BREAK.

(Reuter's Service to the China Mail.)

LONDON, Oct. 12.

Stevenson playing Cook made a break of 1,016. This is a record all round break.

TO-DAY'S POLICE COURT.

AN OPIUM RAID. Police Sergeant Gerrard organised a raid last evening upon a house, No. 20, Stone Nallah Lane, suspected to be used as an opium den. Thirty-six men were found smoking on the premises.

COOL THEFT.

Last evening a man walked into a Chinese shop in Queen's Road West, and took a roll of cloth, and walked out with it. He was noticed, chased and caught, and the police station admitted that he stole the stuff with the intention of pawning it. He will have a month to reflect upon the miscarriage of his plans in Victoria Gaol and for four hours will occupy the stocks.

BANDITRY.

Two returned bandits were sentenced to six months' imprisonment and four hours' exposure in the stocks, by Mr. Melbourne at the Magistrate's today.

A SENSIBLE CHARGE.

Two Indians were brought up in custody on charges of indecent assault and common assault upon a girl respectively. They were formally remanded, bail in the case of the first man being fixed at \$1,000 and in the case of the other man at \$250.

BLASTING POWDER.

A Chinese charged with being in possession of about four catties of blasting powder not marked "Dangerous" and for not being in possession of a licence was fined \$25 or one month's imprisonment.

THE CHAIRMAN'S CHARGE.

Two chair coolies were charged by Mr. Sutherland of No. 6a, The Peak, with demanding more than the legal fare and with disorderly conduct.

Mr. Sutherland said the position of affairs with regard to chair coolies was becoming very serious. Not a day passed without some lady or other being subjected to insult by this particular class of men. It was a daily topic and unless an exemplary punishment was given the matter would be worse. In this instance his wife took a chair to the house, and ordered her house boy to pay fifteen cents, the legal fare, but the men demanded twenty cents and made a disturbance.

One of the men gave a shik at the window, evidently with the object of frightening the lady or the children. If these men were allowed to come to houses at the Peak and use intimidation it would be very serious.

Police-Sgt. Davitt said that these men gave a lot of trouble, but Europeans did not like to come and prosecute. The men were fined \$2.50 each, or seven days, and the Magistrate thanked Mr. Sutherland for taking the trouble to come and prosecute.

MISCELLANEOUS.

When four men were charged before Mr. Melbourne with fighting, he said that if they wanted to fight, they must go to Canton. He fined them \$2 or five days, and bound them over in the sum of \$25 to be of good behaviour for six months. One of the men had in his possession a most formidable looking bar of iron which had been used as a weapon.

A NOBLY VENTURE.

At 1.30 this morning a man was detected in the act of climbing into No. 344, Queen's Road West, via the water-pipe. The alarm was raised, and Chinese constable 150 chased the man and caught him after a long run. This morning Mr. Melbourne sentenced him to six weeks' imprisonment and four hours' stocks.
